

ORIGINAL SIX INFORMATION SHEET
Evaluation Skates September 14/15 and 21/22
Season begins September 28th...

Schedules for this weekend's skates are being sent 48 – 72 hours prior, as stated in the notice. You should receive notice by Thursday, Sep. 12 as to which group (A or B) your son has been assigned.

As for the Original Six Schedules – all game, playoff, coaches practice and HP powerskating schedules have been uploaded for the season. That said, you will not know what team your son has been assigned too until after the 2nd pre-season evaluation skate on Saturday, September 21st. Once you are notified of your team on that day, you will know your child's hockey schedule for the entire season.

Latest questions:

I brought a new player to the original six. Kira will be joining Chantal. I registered her at same time as Chantal. I had the office assist me. Do we qualify for the \$50 credit?

This credit is not applied until October 2013 after all players have started playing the season and withdrawals are no longer available.

The \$50.00 credit cannot be applied to this season's Original Six player registration.

Some customers have had problems registering online.

Update: Pointstreak has found a bug in the system that caused intermittent problems and have fixed now.

Tyke Sunday Morning Practice Ice

This is a choice we had to make due to ice time availability. All other divisions are practicing on weekday mornings at 6 a.m. Tyke is not.

Is there any spots available in my son or daughters division?

Yes there are spots in every division however some are getting under 15 so sign up today and use the online registration to make it immediate. Registering by faxing or dropping off the manual registration can take 48 to 72 hours to be entered.

My son hasn't played before and, while he can skate, he hasn't had a lot of experience and isn't a great skater yet. We're curious whether there's adequate room for development of less skilled/younger players in the Novice level.

We fully expect that he will be able to develop and learn at the Novice Division, if struggles exist, we are able to move players down to continue their progression in the Tyke age level. This will be done with you as parent's full consultation.

General Information

Changes from last season:

Tyke – Games are Saturday 9 a.m. and 10 a.m. **Practices** – Sunday mornings 7:00 a.m. to 8:30 a.m. teams practice together with professional instructors along with team coaches assisting.

4 year olds are OK but we need to make sure they can play at this level, if not we recommend backyard hockey first as a development program to Original Six.

No weekday morning practices for Tyke

Bantam – Thursday - Friday games - 8 more games this season – less practice as we eliminate morning practice

Novice – Minor Atom - Major Atom - Minor Peewee - Peewee
